Subject: **A21472 Plus VaporGrip® Technology (EPA Reg. No. 100-1623)
Submission of Report Outlining Syngenta Required Responses to
Amended Labeling. (SYT Reference AD114323)**

Dear Ms. Schmid:

Syngenta Crop Protection, LLC is herein responding to requirements for A21472 Plus VaporGrip® Technology (EPA Reg. No. 100-1623; Alternate Brand Tavium® Plus VaporGrip® Technology) to send a report to EPA describing our efforts related to notifying stakeholders of the amending labeling for state specific restrictions. Enclosed with this cover letter is a report detailing the required information.

This information is being submitted as a response to EPA requirements and therefore a PRIA category, fee, and timeline are not applicable. If there are any questions regarding the submission, please contact me at (919) 545-4986 or by email at amy.mccaskill@syngenta.com or our regulatory ops specialist Pat Eay pat.eay@syngenta.com with any questions.

Kind Regards,

Amy J. McCaskill
Sr. Regulatory Manager, Herbicides
